Tip & Touch stand

062.7660 Tip & Touch stand (electric tip function) (H595/1255mm) 60 kg

This product has specifically been developed for touch screens which would be used in the table position extra low; we call it the Tip & Touch stand. This wheeled stand has electrical height adjustment from 595-1255mm (table height). The Tip & Touch stand is available with a tip function by gas spring or an electrical tip function. Furthermore the head of the stand contains a fixed bracket with most VESA-patterns integrated. Screens up to 60 kg can be attached. Please note: Check if your display/flat screen is suitable for horizontal use
